RF13.51L - Headset

Type designation: **RF13.51L**

PN (RN): **2023.100.62**

The headset is designed for the situations when the RF13 or RF20, RF1301 operator is in need of free hands for other activities. It can be worn for long periods of time and works with a helmet or a protective mask on the operator. The gradient microphone works even in a very noisy environment.

Technical parameters

Technical parameters of the headset are identical with the 2023.100.61 device.
