RF13.2 - Handset with control set

Type designation: **RF13.2**

PN (RN): **2022.000.02**

Set consists of RF13.2 handset with control and documentation. For basic operation no other components are required. The handset can be connected to any of the two audio connectors on the RF13 transceiver or to any transceiver accessory featuring an audio connector. Along with handset functions, it also features transceiver remote control and function mode display. The construction guarantees mechanical resistance, watertightness and stiffness.
